The following observations were made between 20 and 22 July 1955:

1. On 20 July, the following motor vehicles and equipment were observed at Trausdorf military post within a radius of 50 meters from that point where A-masts with cone-shaped riggings were formerly located:
  - 1 van-like truck with rod antenna
  - 1 Kniferest radar set
  - 1 Fishnet radar set
  - 1 Umbrella antenna
  - 1 long-wire antenna
  - 1 truck                      with searchlight
  - 4 van-like trucks
  - 6 tents
2. On 22 July, Zwölfaxing airfield was not occupied by aircraft. One Kniferest, 1 Fishnet, 1 Token, and 1 AA No 3 MK 2 were observed near the radar installations.
3. Between 0800 and 1400 on 20 July, the Kniferest and Fishnet sets of the radar installations, located at the road to Witzendorf, west of St. Pölten, were still available. The three antennas mounted on 2 masts of various heights were dismantled. Underground revetments were constructed for the radio trucks.

                     Comment. Except for the AA No 3 MK 2, no changes of radar installations at St. Pölten, Zwölfaxing, and Trausdorf were observed.
